

Pool Hours will be 11 am to 8 pm daily.

The following are restrictions that we must put in place per the state of Massachusetts for the 2020 season:

-Reduced capacity throughout the pool facility, including, the pools & deck and snack bar area as we meet social-distancing guidelines.

**Please note that we will NOT be implementing a reservation system or putting a time constraint on our members at this time.*

-No swim team or swim lessons. No organized club swim activities at this point due to Covid-19 guidelines.

-Guests: We will not be allowing any guests at the onset of the pool opening. This may change shortly.

-No swing set access or tetherball at the onset of the pool opening.

-We will also not be sharing our supplied sports equipment at this time i.e. basketballs, tennis rackets, pool noodles, balls, etc. These things must be brought in from home.

-Locker Rooms: Showers cannot be used. Lockers and changing rooms are also off limits. The locker room is simply used for bathroom use and entering

and exiting the facility. Please no loitering at all in the locker rooms.

-Snack Bar: There will be no seating at the bar in the snack shack area. Snack bar hours are 11 am to 6 pm. After this time, members may order take-out from our clubhouse kitchen by dialing 978-373-1146 ext. 15 or 16. Take-out orders from the clubhouse or any outside establishment cannot be delivered to the pool.

As a reminder, outside food and non-alcoholic beverages are welcome at the pool, provided they are not in glass containers. Due to state liquor license regulations, no outside alcohol is allowed.

-Face coverings should be worn by patrons and staff in accordance with Covid-19 Order 31: *Order Requiring Face Coverings in Public Places Where Social Distancing is Not Possible*. The club will not be supplying face masks. Masks or face coverings must be worn when entering and exiting the facility. Face coverings must be worn when getting up from your seat to use the restroom or when approaching the snack bar. They do not need to be worn when sitting in your seat or swimming in the pool.

Members will notice that the staff will have face coverings on at all times. Lifeguards are not required by the state to wear masks when seated and on duty. We ask that you please do not approach the lifeguards to ask questions or socialize when they

are on duty this year. Any questions can be directed to the pool front desk or to our pool manager, Anna Rossi anna35rossi@gmail.com.

-Please observe all visual Covid-19 guidelines in place throughout the facility for maintaining 6 feet distance to support social distancing and to control the flow of traffic.

-Sanitation: It goes without saying that will be working around the clock to make sure that all areas of our pool facility are regularly cleaned and sanitized. We may need to close the restrooms or the snack bar area from time to time in order to completely clean and sanitize. Thank you in advance for your understanding. We encourage members to bring their own sanitizer as well.

-Chairs and Cabanas: Members will notice that there are the same amount of chairs and cabanas in the facility. These seats on the pool deck are spaced in groups of 3, 6 feet apart per the state guidelines. If a family needs more seating in their area, please do not move seats yourself. Ask a staff member and we will be glad to help accommodate your request.

On each lounge, chair and table, there will be a red wooden block attached to a rope. When members are done for the day, simply put the red block on the furniture which will signal our staff that it needs to be cleaned and sanitized. Please do not use furniture

that has a red block on it, this has not been properly cleaned.

Members will also notice that the cabanas are now separated by plastic dividers. When you are done with the cabana for the day, we ask that you leave and attach the rope and sign provided on the front of the cabana to block access. This rope has a sign on it that says "Stop, Needs to Be Sanitized". This sign will signal to the staff that the cabana needs to be cleaned. Please do not use a cabana that has a rope still up.

If you would like to reserve a cabana, they can be reserved up to 24 hours in advance. Please call the pool front desk at 978-374-8742 (\$15/cabana). We do not accept cabana reservations for holiday weekends. **Otherwise, cabanas are first come, first serve; 1 per family. Please do not save cabanas for other members.**

Any restrictions implemented for the 2020 season are for the safety of both our pool members and staff. Our goal is to still provide a fun, safe recreational escape for you and your family to enjoy this summer.

If you have already signed up for the pool and the restrictions implemented do not meet your family's needs, please feel free to contact us at javallone@haverhillcc.com.

*We are happy to give our pool (non-clubhouse) members access to our driving range for \$250/summer. All pool (non-clubhouse) members may golf **once** per month through October 1st. Greens fees are \$80 per person. Contact the Pro Shop at proshop@haverhillcc.com for tee times. **Proper dress is required.**

Pool members also have access to our dining areas in the main clubhouse throughout the remainder of the year, not just the pool season as well as all member social events. Please check your email for menus and hours.

Do not hesitate to contact us with any questions or concerns you may have, and we will do our best to provide answers with the information we have currently available.
